

aktivum

```
graph TD; A(aktivum) --> B(výnos); A --> C(riziko);
```

A diagram illustrating the relationship between 'aktivum' (asset) and its components. At the top is a light blue rounded rectangle labeled 'aktivum'. Two arrows point downwards from this rectangle to two other rounded rectangles below it. The left rectangle is light green and labeled 'výnos' (revenue). The right rectangle is light red and labeled 'riziko' (risk).

výnos

riziko
